Primary PE and Sport Premium Funding

There is an £11,101.54 carried forward from year 1 and 2. This is because the school has ear marked the money for a project to improve the sporting facilities within school to be able to improve the engagement of all pupils in regular physical activity and to kick-starting healthy active lifestyles, increased participation in competitive sport and offer a broader experience of a range of sports and activities offered to all pupils.

The school is proposing to turn a unused space into an outdoor sports area. The new sports are quality of PE and sport at Sylvan Infant School. This will increase the opportunities available for and competitions. The money will be used to resurface and mark the area for activities and sports improvement for pupils joining our school in the future years.
